TU DUBLIN
TECHNOLOGICAL UNIVERSITY DUBLIN

- The development of an internal community of practice where **best practice** is shared and opportunities to **link supports** are leveraged for the advancement of our entrepreneurs

Community of Practice

Mission is to accelerate the adoption of practice – based, research informed Entrepreneurship & Innovation education across the University

Focus is on Teaching & Learning, Research & Best/Next practice in Sustainable and Inclusive Entrepreneurship & Innovation

Stand up, Start-up & Scale up for value creation in economic, social, cultural, community & society for our student & entrepreneurs

Developing Mindsets, Skillsets & Toolsets for our students & entrepreneurs

Encourage disciplined Innovation Processes for Start-ups and Corporates

DUBLIN
TECHNOLOGICAL UNIVERSITY DUBLIN

COP – Entrepreneurship & Innovation

Open to all interested in E&I within TU Dublin initially across all Faculties and support services

Close partnership with GROWTHhub, KTO, TU Incubators, Enterprise Academy, Enterprise Engagement & TU Dublin Foundation

Teams channel will be used for communication – set up with GROWTHhub

Events organised in partnership with GROWTHhub (L&T, Research & Practice) and COP members – two per Semester

Repository of Knowledge assets will be established with GROWTHHub

Support Entrecomp (Entrepreneurship Competence Framework) from EU as a transversal competence framework for the University
