

Moodle Archive Process 2024

The Moodle archiving process will take place from **Monday, 9th - Wednesday, 11th September 2024** (inclusive).

What happens during the archiving process?

The archiving process will create an archive of the final state of each course within the Moodle instances for Tallaght (<https://elearning-ta.tudublin.ie>) and Blanchardstown (<https://vle-bn.tudublin.ie>) for the Academic year 2023/24.

Once the archiving process begins the URL's for Moodle Tallaght (<https://elearning-ta.tudublin.ie>) and Moodle Blanchardstown (<https://vle-bn.tudublin.ie>) will have DNS redirects put in place to direct all requests to TU Dublin's unified VLE Brightspace (<https://brightspace.tudublin.ie>).

Will staff and students have access to Moodle during the archive process?

Student access to Moodle Tallaght (<https://elearning-ta.tudublin.ie>) and Moodle Blanchardstown (<https://vle-bn.tudublin.ie>) will be permanently removed at 17.00 on Friday September 6th 2024.

During the archive process Moodle Tallaght (<https://elearning-ta.tudublin.ie>) and Moodle Blanchardstown (<https://vle-bn.tudublin.ie>) will be in 'maintenance mode' and **unavailable** to staff from **Monday, 9th - Wednesday, 11th September 2024** (inclusive).

What happens after archiving is complete?

The archived Moodle sites will be available at the following URL's until August 31st 2025.

Tallaght <https://moodle2023-ta.tudublin.ie/>

Blanchardstown <https://moodle2023-bn.tudublin.ie/>

These archives can be used as a reference for the new academic year 2024/25. If desired staff will have the ability to backup any historic course information from the Moodle archives and import into Brightspace using the following [guide](#).
