

QUICK GUIDE TO YOUR NEW EMAIL ADDRESS

Your new email address is, in most cases, in the following format studentnumber@mytudublin.ie and you can access it using your current network password.

If you are a **returning student** any email sent to your former email address will automatically be re-directed to your new @mytudublin.ie email address.

Keep forgetting your email password? If you register for [Self-Service Password Reset - tudublin.ie/password](https://tudublin.ie/password) you'll be able to reset or change your password 24/7. Registering couldn't be easier just provide an alternative email address, mobile number or provide answers for a number of security questions and you'll never be locked out of your email again.

For online services go to: tudublin.ie/current-students/student-login

Here's a quick reminder of the logon details for some of the most regularly used online services:

EDUROAM
Wi-Fi

LOGON DETAILS

studentnumber@itb.ie
current network password

MOODLE

LOGON DETAILS

student number
current network password
