NEW VOICES

The Washington Ireland Program for Service and Leadership brings outstanding university and college students from Northern Ireland and Ireland to Washington D.C for an 8 week personal and professional development program.

BIG IDEAS

These student leaders come from all backgrounds and offer different perspectives and innovative approaches to improving the island of Ireland.

NEW POSSIBILITIES

WIP students are provided with an exclusive work placement related to their area of study or interest, in addition to leadership development training, speaker sessions with world leaders across the public and private sectors and visits to community organisations tackling social issues in the US.

Work on Capital Hill, in business, finance or gain work experience in something brand new!

Have an authentic U.S. experience living with one of our welcoming volunteer host families

Visit local community organisations to learn about social challenges and how they advocate for change
